

## Insulated Hand Tool Kit - 11 piece

### PRODUCT DESCRIPTION

All tools shown are manufactured and tested in accordance to BS EN60900:2012 and are manufactured by Insulated Tools Limited, who are the only company to use Nylon 11 for the protective covering, providing greater durability in harsh conditions. Each tool is tested to 10,000 volts and rated for use up to 1000 volts a.c. and 1500 volts d.c. for live line working.

Thumbnail	Network Rail Reference	Description
	0111/109461	Complete kit of 11 items (insulated up to 1000V BS EN 60900) plus tool roll
